## WOMEN ASK ACTION IN SENATE FORGERY

*State's Attorneys of Cook and Sangamon Counties  
Asked to Probe Ettelson Resolution—Chicago  
Political Equality League Says,  
"Go Through."*

Is your vote any use to you? Why elect lawmakers to go to Springfield? If senators or clerks can "correct" the state senate journal and slip in measures never voted on by the senate, what's the use of either men or women having the vote?

These were questions asked by women this afternoon at the session of the Chicago Political Equality league in Congress hotel. There were fierce voices and clenched fists among the women who spoke on a resolution asking state's attorneys of Cook county and Sangamon county

to go the limit in finding the answer to these questions:

Do Senators Kent Keller, W. Duff Piercy and others speak the truth when they charge that the Ettelson resolution creating the Baldwin senate committee never was called for vote; never was voted on and is a faked and fabricated resolution?

Was there a forgery committed by which the law to create the Baldwin committee was written into the senate journal?

If there was a forgery, who committed it?
